Thanks, Colleen - Did Eric say whether the Committee approved this version at today's meeting?

Hi,

I got this from Eric late today. He says we have 90 days to review, but they would like to be informed about any serious issues as soon as possible. He mentioned an August submittal date for the Pinal PM-10 Plan. We can discuss next week.

All,

Kevin wanted to make sure the entire Committee received the current version (as of this morning) of the revised BMP rule.

Thank you,

Lisa Tomczak
